Dear Olde Salem Days Participant:

On behalf of the Rotary Club of Salem and the City of Salem, we thank you for your participation and welcome you to Olde Salem Days, this September 12, 2026. 100% of the event's profits are donated by Rotary to support local and international charities and civic organizations.

You can also check the booth assignments for all craft vendors and sponsors anytime online at <https://marketspread.com/market/29851/olde-salem-days/>

Enclosed is a detailed packet of information to help you prepare for a successful event, **including a map to identify your location and loading/unloading restrictions**. As a reminder, **only hand crafted or hand altered items are allowed to be sold**.

Important details for 2026:

- Crafters are **not** required to check in prior to setting up in your space.
- Crafters may proceed directly to their space to begin setting up at 6:00 a.m.
- Rotarians will be circulating making sure everyone is set up in their assigned spaces and to confirm your arrival.
- If you have any difficulties locating your space or have questions, please stop by the registration tent located directly across from the library on Main Street.
- **The event will end at 4:30 p.m.** No sales are permitted after that time.
- You must follow the traffic patterns described on the map included in this packet for both set-up and take-down of your booth.

You may also come to the Registration tent during the 2026 show for assistance or to pay by cash or check. **All registration for the 2027 show will be on a first come, first served basis.**

Please review the entire packet to prepare for a successful event.

NOTE: Street improvements continue to be made on Main Street. These improvements will impact additional crafter spaces for 2027. While our map is as current as possible, there is a chance that some of the spaces will not exist as currently contemplated by September 2027. If your space is impacted by such issues, we will contact you and work with you to find an alternative location, and we appreciate your cooperation as we sort out these challenges.

RE: OLDE SALEM DAYS

Dear Participant:

Welcome to Salem, Virginia, and Olde Salem Days.

In order to make your setup and takedown for this event as orderly and safe as possible, Main Street will be closed to traffic at 5:30 a.m. on Saturday, September 12, 2026, and vendors allowed on street once the road is completely closed and approved by the Salem Police Department.

No vendors will be allowed to start setting up on the street until it is closed.

Once the street is closed, vendor traffic will be allowed **to go one way only; from West to East** (see attached map). This will be used for your setup as well as your takedown. This is being done for your convenience, so please work with us. Also, there will be no parking on city property after 5 p.m. on Friday, September 11, 2026.

Finally, you must cease all sales on or before 4:30 p.m., September 12, 2026, and begin to pack up and be off the streets **no later than 5:30 p.m.** Clean up crews begin at 5:30 p.m. and traffic will resume by 7 p.m.

Thank you for your cooperation.

Sincerely,

Danny Crouse
Deputy Chief of Police

FREQUENTLY ASKED QUESTIONS

What types of items are crafters allowed to sell at Olde Salem Days?

Only handmade or hand altered arts and crafts are allowed. Bake sale items must be home-baked goods only. To preserve the authenticity of Olde Salem Days, anyone selling an item that is not handmade, hand altered, or home-baked will be promptly removed from the show and will not be permitted to participate in future shows. Such determinations are in the sole discretion of the Rotary Club of Salem.

What size is each crafter space?

All spaces are on the street, adjacent to the sidewalk and are 15 feet wide and extend 10 feet from the sidewalk into the street. Storage or display of items on the sidewalks is prohibited. Sidewalks are to always remain clear for pedestrians.

Why do I not have the space I requested?

Some spaces have been altered or eliminated by improvements the City of Salem is making to the downtown streets or are impacted by construction or the businesses on the street. While we make every effort to keep crafters in their selected spaces, and it is our practice to work with crafters to select a preferable alternative space if they must be moved, there are times when adjustments must be made and Salem Rotary Club reserves the right to place any crafter in any space within the show.

You may also have landed in a space that was not your first choice due to the timing of your registration. Beginning with the 2025 show, Olde Salem Days moved to an online platform, Marketspread, as our primary registration mechanism (while still accepting paper applications both at the show and by mail). We also transitioned to a **first come, first served registration model**, which allows us to more fairly and consistently manage vendor space allocation, which is always a priority. **We will open online registration for the 2027 show on Tuesday September 8, 2026 at noon, at which time you may go to Marketspread's 2027 Olde Salem Days event page, select your preferred space for the 2027 show and pay by credit card within the platform.** Early bird pricing will apply from the time we open registration through midnight on September 12, 2026, after which regular pricing will apply. If you prefer to submit a paper application or to pay by cash or check, you may do so at the 2026 show at the Registration Table, where we will help you select a space from those available. After September 12, 2026, all remaining spaces for 2027 at the regular pricing will be available both online and by mail.

What happens if I arrive late **or must I cancel last minute?**

If you know that you will not be able to set up the allotted time frame, please call the Rotary Club of Salem at 540-772-8871 and leave a message before 8:15 a.m. on the day of the show.

What happens if we have Inclement weather?

Olde Salem Days cannot be rescheduled and is held regardless of the weather. In the event of inclement weather, there will be no refunds.

Who is responsible for all applicable taxes?

Individual crafters are responsible for calculating and paying sales taxes. See the enclosed tax information provided by the City of Salem.

Where may I get an early registration form for next year's Olde Salem Days (OSD)?

The preferred (and fastest) method for registration for the 2027 Olde Salem Days show is online, at Marketspread.com. Registration for the 2027 show will open online at noon on Tuesday September 8, 2026 and remain open until the spaces are filled. If you prefer not to use online registration, we will also accept

paper applications, cash, and checks at Registration the day of the 2026 event. After September 12, 2026, we will accept paper applications with checks by mail. Paper applications will be available at the Registration tent the day of the 2026 show or can be downloaded from www.oldsalemdays.com.

Are electricity, water, or other services provided?

NO. All spaces are on the street with no services available.

Are crafters allowed to bring generators?

Absolutely no generators are allowed.

What is the area hotel/motel accommodation and contact information?

There are many local accommodations available. Olde Salem Days does not have an affiliation with any of them. It is your responsibility to negotiate your own rates.

SETUP:

Do I have to check-in if I have paid and know my booth location?

No. Crafters may proceed directly to their space and begin setup at the assigned time. Rotarians will be circulating to make sure everyone is set up in the proper spaces and to relay your arrival to the registration tent. If you have any difficulty finding your space or need additional assistance, please come to the Registration/Information Booth located across from the Library on Main Street. Spaces are marked on the street or curb with chalk. The letters in front of the space number indicate a street or area. For example, EM indicates East Main (the two blocks from Broad Street to College Avenue), WM indicates West Main (the two blocks from Broad Street to Chestnut Street), NB indicates North Broad, NM indicates North Market and SM indicates South Market. Even numbered spaces are on one side of the street and odd numbered spaces are on the opposite side of the street.

When may I set up my space?

The streets will be barricaded and closed to all traffic **including craters** until 6:00 a.m. At 6:00 a.m. the barricades will be removed and only crafter vehicles will be allowed to enter the event area to set up. The City of Salem may ticket anyone setting up on the street or sidewalk prior to 6:00 a.m. Setup time ends at 8:00 a.m. All crafter vehicles must exit the event area no later than 8:00 a.m.

May I pull my vehicle up to my space to unload during setup?

Yes, you may pull your vehicle up to your space and unload **provided you do not block other crafter vehicles.**

BREAK DOWN:

When may I break down my space?

All sales must stop at 4:30 p.m. You should start breaking down your space no later than 4:30 p.m., and you must complete breakdown before 5:30 p.m. The barricades will be removed, and the streets will be opened to crafter vehicles only beginning at 4:30 p.m.

May I pull my vehicle up to my space during breakdown?

Yes, beginning at 4:30 p.m. crafter vehicles only will be allowed to enter the event area in the same pattern as the morning setup. You may park directly in front of your space while you load the vehicle provided you do not block other crafter vehicles.

What if I need extra time to pack up and load vehicle?

You must be off the street by 5:30 p.m. The city crews begin cleaning the streets promptly at 5:30 p.m. If you cannot pack up and load your vehicle in the time allowed, then you will need to start packing up earlier. **The city may ticket and fine any crafter vehicle on the street that is blocking clean-up efforts.** Our recommendation is that if you need extra time to pack, shut down sales early to begin loading and packing your booth earlier so that you can ensure a timely exit for the event. There will also be volunteers available to help load/pack. We understand there are some crafters who have certain ways of packing. That is fine but utilize the volunteers and prepare to teach them how you'd like to pack your booths. We are there to help for a reason due to time restraints.
